PORTRAIT OF MRS THATCHER.

1. I arranged to have passed to you in December a portrait of Mrs Thatcher presented to her by Malaysian state authorities of Kedah during her visit. It was forwarded to us by the British High Commission.
2. I passed Pandair's bill to PSD who say they have no authority to pay transport charges for personal gifts. On my return from ~~the~~ sick leave yesterday I found the attached final notice. Would you have funds with which to settle the bill?

Dear Mr. Rajid,

I was very pleased to receive the framed cartoon of my travels in South East Asia early this year. It will be a happy reminder of a very interesting if frenetic series of visits. Thank you for the kind thought - and please also thank Lat. I thought it was quite something to fit seven countries into nine days. But to get them into one drawing is a real achievement!

With best wishes.

Yours sincerely

*Dear Charles,*

PRIME MINISTER'S VISIT TO MALAYSIA

1. I was invited last week to call on Dr Munir Majid, the Editor-in-Chief of the Fleet Publishing Group, to be presented with the original of a cartoon which appeared in The New Straits Times shortly after Mrs Thatcher's return to London after her Far East tour in April. Dr Munir asked me if I would transmit this to No.10 with his compliments.
2. The cartoon, which has been framed, is being sent under separate cover. I hope it arrives in one piece.
3. I am sure that you - and the Prime Minister - will enjoy it. The cartoonist, known as Lat, is something of a national institution here and has published numerous books of cartoons in addition to his regular slot in The New Straits Times. He is perhaps singular among cartoonists these days in being entirely without vindictiveness or cruelty. Indeed his work is self-mocking and gentle. He is a delightful chap, his pen-name of Lat deriving from the Malay word for round and he is, indeed, a rotund and dishevelled-looking fellow, somewhat shy but with a wry self-deprecatory verbal sense of humour as well. People say that one can learn more about Malaysia in reading his books of cartoons than in months of talking to officials.

Dear Major King-Evans,

I would like you to know how very grateful I am to RSM Phil Nalden and Sergeant Barry Woodman for the tremendous work they did on my visit to South East Asia. It was a very strenuous tour with many stops and often trying conditions but they were always cheerful, always helpful - often well beyond the bounds of duty - and they got through an enormous amount of work. I commend both of them most highly and would be grateful if you could pass on to them my appreciation.

Attached is a letter of commendation received from the Prime Minister in respect of two SNCOs who I believe are under your command. It would appear that whoever drafted the letter for the Prime Minister possibly confused the RMP security team with that of the RAF Police, and mistakenly sent the letter to me. I would be grateful if you would action the letter as necessary.

## Welcoming Mrs Thatcher to Indonesia

On Tuesday April 9<sup>th</sup> 1985 seven brownie's met at Brown Owl's house.

Then we got into her car and drove to the airport

When we got there she gave us a security pass we pinned it to our uniform.

We went into a room and waited until it was time to go out side and watch the aeroplane come in.

When the aeroplane landed Mrs Thatch and Mr Thatcher got out.

Then the band began to play.

She inspected the army then walked on the red carpet towards where we were standing.

Kirsty gave her a bunch of flowers. then she said to us "do you get Easter eggs here?" "Yes" we said.

Then Mrs Thatcher said "How do they survive in this heat!"

She then shook Brown Owl's hand and Mr Thatcher shook some of our.

Then we walked to the car and drove to Brown Owl's house.

## At Halim Airport

when we got there Brown out pined our  
our Special Badgis on us then we went  
we went into a busy room then soon  
afterwards we went into a less busy  
then we all walked outside along a path  
we stood in a line in front of the red  
carpet and then the plane landed.  
It was a ROYAL AIR FORCE plane it  
parked in front of the red carpet. First she  
stood on a platform and then she looked  
at the band after that she walked down  
the carpet shaking everybody's hand. But  
when she got to us she talked and  
said to us "how did your Easter eggs survive  
in this hot country?" and "Did you all have a  
Happy Easter?" then she walked into the airport.  
She was wearing white gloves, pink dress, white  
and white high heeled shoes.

## Margaret Thatcher

We got photographed twice in the beginning. The first time in Brown Owl's house and the second time in the airport. At the airport Brown Owl asked Kirsty to give some flowers to Margaret Thatcher. After each got a security card and we felt so important with them. After a little waiting in the waiting room we went out of the waiting room and walked to the red carpet outside. On the way there Brown Owl met the leader of the Girl Scouts in Indonesia. Margaret Thatcher came in a Royal Air Force <sup>plane</sup> and we saw Margaret Thatcher get out of the plane with Mrs Thatcher. We waved our Union Jacks that we had made. She was wearing a pink dress, a cream hat and white gloves. She walked up ~~up~~ to a stage to see the display. Then she inspected them. She shook hands with everyone and when she came to us she said "Did you have a happy

Easter" and did your Easter eggs survive in the basket. Before she said that, Kirsty gave her the flowers and shook hands with her.

Then Mr Thatcher came and shook hands with some of us. Mr Thatcher gave me a tap on the head and said "Bless you".

After a little we walked to the entrance and waited for the car.

The car came in a few minutes we went to Brownie's house. After we got back we went to Mrs Piff's house to tell her all about it.

I have never experienced anything like this before and I hope I get another chance.

On Tuesday the 9<sup>th</sup> of April seven brownies Nancy, Kirsty, Nicola, Jennifer, Flanor, Samantha, and I when we went to see Margaret Thatcher. First we sat down and one of his sister Karen Jones's Father then we went out-side to see Margaret Thatcher. She came in a private plane. When she was out of the plane she went round to see if the army was dressed in nice suits then she came round on a red carpet and shook some people's hands when she came up to us she asked about are Easter then Mr. Thatcher came up and shook are hands.

## Welcoming Committee

On Tuesday 9<sup>th</sup> April we went to meet Margaret Thatcher Prime Minister of Great Britain. When we got to the airport we had to stand in a room crowded with important people. While we were waiting we had our photograph taken and then moved into another room with less people in it. Brown Owl told us to sit down for a while - we did. We then went outside to a red carpet following an Embassy girl named Charlotte. Just as we were in position we saw the plane landing it was a Royal Air Force Jet. We saw Mrs Thatcher come down the steps of the plane she was wearing a pink dress, white leather gloves, and black shoes. After being greeted by President & Mrs Suharto she went to a stand and listened to the band. It was then time for her to inspect the Army. She walked in another direction towards us. I gave her my flowers and said "I hope that you will have a nice stay here" she said "I'm sure I will" Then to all of us "Do you have easter eggs here" we said "yes". She then reached over and shook Brown Owl's hand. Mr Thatcher then shook our hands. They then went into a car and drove to the guest house.

Mrs Thatcher

On the 9-4-85, seven brownies went to see Margerat Thatcher. Our mums dropped us off at Brown Owls house. We had a drink, then we went to the toilet. We had a photo taken. Then we got into the car and drove off. There were police men all the way down to the airport. When we got there Brown Owl told us to be good. Then she put special security badges on us, the car and the driver had one to. We went into an airconditioned room which was very busy, then we went into a room which wasn't very busy. Louise and I played a game while we were waiting. Brown Owl said if any of us wanted to go to the toilet they could. Then a lady came and told us that we could go outside and wait. Brown Owl met the leader of the Indonesian scouts and cubs. We got to stand at the end of the red carpet. While we were waiting photographers took our photographs. Then the plane landed, we were all excited. After about 5 minutes Margerat Thatcher stepped out, she was waving to everybody. She was wearing a white hat, pink dress, white gloves and black shoes.

When she came up to us Kirsty ran out and gave her some flowers and said I hope you have a nice stay in Indonesia. Then she came and asked us about our Easter. She said "how could they survive the weather here!" Before she came to us she expected the army. While the National Anthem was playing guns were going off. Mr Thatcher came and shook our hands, he reached over and shook Brown Owls hand. They left in a big Rolls Royce. At the end Brown Owl took our photograph by the pond. Then we got into the car and went home. While we were driving along we were

along we were pretending we were Margerat Thatcher and doing a royal wave. When we got to Brown Owls house we had a drink and Brown Owl rang our mums.

TEXT OF A MESSAGE FROM  
HIS MAJESTY KING FAHD BIN ABDUL AZIZ AL SAUD  
TO THE PRIME MINISTER

After greetings,

It was with great pleasure that we received Your Excellency's letter about how much you enjoyed your visit to Saudi Arabia. For our part, we were most happy with the visit; we enjoyed the talks which took place about matters which concern our two friendly nations in particular and about the Middle East issue and its developments in general.

We hope that we shall keep in touch in striving for what we both desire: to strengthen the friendly relations and the existing co-operation between our countries and to take advantage of every opportunity which might lead to peace and security in the Middle East.

Please accept the assurances of our highest consideration.

Dear Mr Butler

IMPORT OF SNAKE SKIN GIFTS

I refer to our recent telephone conversations about the snake skin gifts given to members of the Prime Minister's party by the Indonesian Government following the recent tour of S E Asia. The goods had been seized by customs at Heathrow as permits necessary for the import of species controlled under EC Regulations 3626/82 and 3418/84, the Endangered Species (Import and Export) Act 1976 and the Wildlife and Countryside Act 1981, had not been granted.

I now enclose five application forms for import permits. Only those boxes marked with an X need to be completed. The Department's Chief Wildlife Inspector has examined the items and will fill in the details about species.

Once the forms have been returned, they will be formally referred to the NCC, the Department's scientific advisors, who will advise for or against issuing import permits. It is very likely that the permits will be granted as the goods were unsolicited gifts. Please would you return the forms to me so that I can ensure the applications are dealt with urgently.

Yours sincerely

The Prime Minister has asked me to thank you very much for your letter of 11 April. She was immensely impressed by the Brunei State Hospital and sends you and your colleagues her congratulations for your work on it.

Unfortunately the Prime Minister's visit to Brunei was for a matter of hours only, and there was no chance for her to visit anything other than the Istana and the Hospital, much as she would have liked to have seen the Churchill Memorial.

Thank you for your letter of 17 April. I was disturbed to hear that one of the BRAHMS secure speech equipments taken on the Far East trip appeared to have been tampered with.

I have discussed this with the Duty Clerks who accompanied us. They assure me that the BRAHMS was never left unguarded: it was always held in our Private Office (apart from when it was on the aeroplane or was on its way to or from the aeroplane) and the office was continuously manned by a Duty Clerk, Garden Room Girl or during the night by a Royal Military Policeman.

Second, the key-tape material was always kept in a separate briefcase, apart from when it was actually being used to "fill" the machine each morning.

Third, the only recollection that the Duty Clerks have which might throw some light on when the incident happened was that one BRAHMS case was difficult to shut when the Duty Clerks were packing up the office to leave Sri Lanka on the morning of Saturday 13 April. However, I repeat that the equipment was under the guard of an RMP during the previous night.

PRIME MINISTER'S VISIT TO MALAYSIA

Many thanks for your letter of 10 April. We all enjoyed the visit to Kuala Lumpur and were very grateful for all the help we got from your staff.

On the particular points which you raised:

i. I enclose another photograph for Richard Fell

ii. I also enclose a photograph for Datuk Badri. But we cannot trace at the moment the driving licence. Amanda Colvin may know what happened to it but she is getting married and won't be back for a fortnight. Would it be possible to have a duplicate which the Prime Minister could send?

iii. Finally, I attach a photograph for the lady at the Hilton Hotel.

My visit to Sri Lanka was a happy and memorable one for me. That this was so despite the effects of the heat and the air conditioning on my throat was due in large part to the kindness and charm with which you and your wife conducted Denis and myself on our tour. One of the BRAHMS secure speech equipments taken on the Far East trip has been returned to us in a state which seems to point to a deliberate attempt having been made to gain access to the inside of it. The edges of the metal cover which protect the classified cryptographic unit and the vocoder have been distorted upwards as though force has been applied with some kind of tool. The damage is not consistent with the equipment having been dropped.

2. Arrangements are in hand for the equipment to be stripped down for an internal check and refurbishment but, meantime, I would be grateful to know if there is any recollection of the equipment having been left unguarded at any time and if so, where. THE PRIME MINISTER

*Dear President Soeharto.*

It was a tremendous privilege for me to pay the first official visit by a British Prime Minister to Indonesia. Your generous hospitality and the warmth of the reception given to me by the Indonesian people made it a most memorable occasion. I retain a most vivid impression of the beauty and energy of your great country and the vitality of its young people. I also return home determined to see that our two countries should work together even more closely in future. I found our talks very valuable. They revealed a broad and reassuring similarity in our approach both to international problems and to the challenges of providing a better future for our peoples.

I was particularly pleased that I was able to visit not only your capital city but also Bandung, where I was able to see and admire the strides which Indonesia is taking in new technology. The cheerful faces and bright eyes of the children lining the route will remain one of the most lasting impressions of a very happy visit.

I thank you and Madame Soeharto most warmly for your generous hospitality, for your great courtesy in accompanying me on the visit to Taman Min Indonesia Indah, and for the many attentions shown to my delegation throughout the visit.

I add a particular word of thanks for the magnificent presentations which you made to mark the visit.

My husband joins me in sending warm good wishes and renewed thanks to you both.

Yours sincerely

Dear Mr. Cornish,

I am writing to thank you most warmly for the arrangements which you made for my short visit to Brunei during my tour of South East Asia. Everything went very smoothly including the last-minute addition of the visit to the vegetable market.

Your mission to Brunei comes at a very important moment in Brunei's history, so soon after its fully independence. In my letter of thanks to the Sultan I have asked him to let me know if I can be of service to him and I should be grateful if you could make sure that he remains aware of my intent and support.

It was a memorable occasion and a great privilege for me to pay the first official visit by a British Prime Minister to Brunei and to be so graciously received not only by Your Majesty but also by His Royal Highness the Seri Begawan Sultan and Their Highnesses Prince Mohamed, Prince Sufri and Prince Jefri. SERIAL No. T 67B/85

15 April 1985

*Dear Prime Minister,*

First, may I thank you for receiving me in Singapore, for the warmth of your hospitality and for the talks we had together. As I said in my remarks at the banquet, I would have been glad to come to South East Asia purely for the pleasure of a talk with you, even if that had been the only reason for visiting the region.

May I also tell you that I had what I hope was a helpful conversation with the Sultan of Brunei on the lines we discussed. In emphasising the value of the monarchical system, I said that the British Royal Family had gained and retained their place in the affections of the people by constantly going out among them and showing their support for the people's interests. I also stressed that it was important to explain the reasons why things were done using as an illustration the efforts I made to convey through the press party accompanying me that even on my absences I was working for the interests of the British people.

All this was well received by the Sultan who said that he was planning to visit the villages of Brunei as his father had done on his own accession. I stressed the need to have a systematic plan for covering the ground.

I told him of my impression that there were people outside his country who were planning to foment trouble for him and I

/recommended

recommended him to look to you for advice on developments in the region and on other matters. In my remarks to the press on leaving I laid particular emphasis on my visit to the hospital which the Sultan's government had provided for the people.

My general impression was that the Sultan was sympathetic with the points I made and is genuinely concerned to be a responsible and successful ruler though whether he really has it in him remains to be seen. He is willing to look for guidance but does not yet know whom he can rely on. I recommended him to attend the meeting of the Commonwealth Heads of Government and he said that he hoped to do so.

Once again my thanks for our talks. I look forward very much to seeing you again in October if there is not an opportunity before then.

*Warm personal regards*

Dear Prime Minister

I write to thank you most warmly for the generous hospitality extended to me during my most enjoyable visit to Malaysia and for the excellent programme which was arranged. Dear Prime Minister, 24/4

I write to thank you on behalf of all the Scouts and Leaders of the 2nd Brize Norton Air Scouts for your very generous donation to our coffers.

Our initial intention was to gain local publicity for the Scout Group's Job week but then because your aeroplane was the centre of interest we gained much more than we planned; so you see we are therefore doubly indebted to you. Unfortunately, whilst you were enduring the rigours of middle and far eastern climates Britain was awash with gales and rainstorms so our car-cleaning was less successful than we hoped; we will just have to double our efforts in other areas.

Please accept once again our grateful thanks and also our sincere wishes for a rapid recovery from your cold. You may wish to know that my Squadron, No 10 Squadron, will have your letter framed and donated to the Scouts to hang in pride of place in their Headquarters.

THE THREE-MONTH INTER BANK RATE WAS DOWN FROM TWELVE AND ELEVEN SIXTEENTHS TO TWELVE AND FIVE EIGHTHS. STERLING INITIALLY FELL ON THE NEWS OF THE HALF PERCENT BASE RATE CUT BY MIDLAND AND BARCLAYS BUT QUICKLY RECOVERED AS DEALERS PERCEIVED THE BANK'S RELUCTANCE TO SANCTION THE CUTS. TODAY'S ECONOMIC NEWS DID NOT PRODUCE ANYTHING SIGNIFICANT: NEXT WEEK'S US GNP DATA WILL PROVIDE THE NEXT EVIDENCE.

ARMED FORCES LOCAL OVERSEAS ALLOWANCE

THE LOCAL OVERSEAS ALLOWANCE (LOA) IS SUBJECT TO AN ANNUAL PRICE UPDATE AND A REVIEW EVERY THREE YEARS. THE REPORTS IN TODAY'S PRESS OF A REDUCTION IN THE GERMAN LOA ARE THE RESULT OF A REVIEW. THE CHANGES RECOMMENDED BY THE LOA REVIEW STAFF RANGE FROM A REDUCTION OF 32 PENCE PERDAY FOR A MARRIED CORPORAL WITH ONE CHILD TO 1 POUND 66PENCE PERDAY FOR A SINGLE CAPTAIN. THE PRINCIPAL REASON FOR THE REDUCTION IN THE GERMAN RATE IS THE LOWER RATE OF INFLATION IN GERMANY. THERE IS NO QUESTION OF AN ACROSS-THE-BOARD CUT IN LOAS TO MAKE ROOM FOR OTHER DEFENCE SPENDING: ALL THE OTHER LOA REVIEWS CARRIED OUT IN THE CURRENT ROUND, E.G. FOR CYPRUS, ITALY, PORTUGAL AND THE US, HAVE RESULTED IN INCREASES. THE COMMANDERS-IN-CHIEF GERMANY ACCEPT THAT THE REVIEW WAS FAIRLY CARRIED OUT AND THAT THE RESULTS REASONABLY REFLECT THE ADDITIONAL LIVING COSTS IN GERMANY. THE INTRODUCTION OF THE NEW RATES HAS BEEN DEFERRED UNTIL 1 AUGUST TO ALLOW TIME TO ADJUST.

MINERS

THE POSITION IS THIS: THE NUM HAS ACCEPTED A 5.2 PERCENT PAY INCREASE FOR THE PERIOD 1 NOVEMBER 1983 TO 31 OCTOBER 1984. THEY ARE CONSIDERING A SIMILAR OFFER FOR THE PERIOD 1 NOVEMBER 1984 TO 31 OCTOBER 1985.

STATEMENTS ON FOREIGN TRIPS

THE NORMAL PATTERN IS NOT TO MAKE STATEMENTS AFTER FOREIGN TRIPS OF THE KIND ON WHICH YOU ARE CURRENTLY ENGAGED. INDEED, EXCLUDING ECONOMIC SUMMITS, EUROPEAN COUNCILS AND CHOGMS, THE PRIME MINISTER HAS MADE ONLY FOUR STATEMENTS FOLLOWING FOREIGN VISITS, THREE OF WHICH FOLLOWED VISITS TO THE UNITED STATES AND ONE FOLLOWING THE CANCUN SUMMIT IN MEXICO. VISITS WHICH DID NOT RESULT IN A PARLIAMENTARY STATEMENT INCLUDED THAT TO INDIA AND THE GULF AT EASTER 1981 (THIS IS THE NEAREST ANALOGY TO THE PRESENT VISIT): HONG KONG, CHINA AND JAPAN IN SEPTEMBER 1982: CANADA AND THE USA IN SEPTEMBER/OCTOBER 1983: AND CHINA, HONG KONG AND THE UNITED STATES IN DECEMBER 1984. THE ONLY OCCASION ON WHICH MR. CALLAGHAN MADE A STATEMENT FOLLOWING A VISIT TO SEVERAL COUNTRIES WAS IN JANUARY 1978 ABOUT HIS TRIP TO INDIA, PAKISTAN AND BANGLADESH. THE PRECEDENTS ARE THEREFORE NOT IN FAVOUR OF A STATEMENT, BUT NO DOUBT WE WOULD HAVE TO CONSIDER AN OPPOSITION REQUEST. MR. KINNOCK HAS WRITTEN A LETTER ASKING IF THE PRIME MINISTER HAD THE OPPORTUNITY TO RAISE THE QUESTION OF INDONESIAN HUMAN RIGHTS DURING THE VISIT: THIS MIGHT SUGGEST THAT HE WILL NOT ASK FOR A STATEMENT, BUT I WOULD NOT LIKE TO RELY ON THAT.

COSTS OF PM'S VISIT TO SOUTH EAST ASIA

As you know, I asked MPO to look into the costs and let us have something for tonight's box. In the time available they have not been able to come up with any firm figures, but hope to hone up their estimates on Monday morning in time for a possible statement.

So far they have provided the following estimates:

RAF transport	£160,000
(less £23,000 for press party contributions)	
Total transport therefore	£137,000

Other items are small by comparison. They include:

Reception (Jakarta?): UK contribution	£6,000
Gifts	£2,500
(though items taken from stock in No. 10 have yet to be included)	
Advance visits and courier:	£1,800 approx
Locally provided transport and accommodation:	as yet unspecified.

These costs do not, of course, include any amounts to allow for accommodation provided in Embassies, High Commissions, etc. MPO think it will be about a month before accurate figures can be provided, though I have told them we will need to have reasonable estimates by Monday lunch time.

All in all, it looks as if £150,000 could sensibly be used as a provisional estimate at this stage. MPO would be happy with quoting it on that basis.

Dear Prime Minister,

BRUNEI STATE HOSPITAL : BANDAR SERI BEGAWAN BRUNEI

We were delighted to see pictures of your visit to the new hospital transmitted by ITN News on the 9th April as we are the architects responsible for this project.

You may be interested to know that after the new Istana, the Hospital is the largest building complex ever undertaken in Brunei.

It was designed in a special office that we set up in Brunei for the purpose, directed and supported by our London office and manned almost entirely by expatriate architects, who carried out all the supervisory duties required by the Government of Brunei during construction.

My partner and I mounted this undertaking entirely on our own and were able to give employment to a number of British architects, during a period of recession in the UK construction industry, and repatriate our overseas earnings.

I am sorry that time did not permit you to visit our other major project in Brunei: the Churchill Memorial. This group of buildings, which houses the Churchill and State historical museums, library, auditorium and (what has been described as) the finest aquarium in South-East Asia, was designed at the request of HH the Seri Begawan, who had great admiration for our Wartime leader.

Yours sincerely,

Edward Jamilly

PRIME MINISTER'S VISIT TO MALAYSIA

1. Forgive me for troubling you with a few details left over in the wash-up after your visit.
2. When you left I was expecting to receive a sum of money to be handed on as tips to the staff at the hotel. In the event this did not reach me, I presume because one of the No.10 team handled it direct with the hotel.
3. It was good of you to send signed photographs to many members of my staff. There was however one omission: Ian Danson. He did as much work as anyone, probably more, and in order to avoid hurt feelings, Richard Fell, the Head of Chancery, has given Ian his signed photograph pretending that this came direct from you. If it is not too much trouble would it be possible for you to let Richard Fell have another photograph for his own use?
4. Still on the subject of photographs, we have <sup>been</sup> contacted by the General Manager of the Malayan Railway Administration, Datuk Ahmad Badri, who met the Prime Minister at the railway station and who presented her with the model train. Apparently the MRA is opening a railway museum here in Malaysia in June and Datuk Badri has asked if it would be possible for him to receive for display at the museum a signed photograph of the Prime Minister with, if possible, a short greeting on it in Mrs Thatcher's hand. He has also asked if the Prime Minister would sign the MRA driving licence which he presented to her at the railway station and if you could send a photocopy of that signed driving licence, also for display at the museum. I apologise for troubling you with these details but, as you know, we are hoping to get a number of important orders in the railway sector. The lady at the Hilton Hotel who was directly in charge of the organisation during your stay has also asked if there is any possibility of her receiving a small photograph of the Prime Minister. She was, I believe, extremely helpful and co-operative. If you felt it appropriate we could pass the photograph on to her.

5. May I say how very much we in the High Commission enjoyed the visit. The word is not too strong. As you know, there was a good deal of work and pressure during the month or two before the visit took place but, on this occasion everyone found, once you were here the visit was not only immensely helpful to our efforts in Malaysia but was also a great deal of fun. This was due in very large measure to the tremendously good cooperation between your Private Office staff and the people in the High Commission. We are all most grateful for this.

6. I am now about to go on leave and will be back in London for the British-Malaysian junket in June. I am angling for an invitation to Lord Richardson's banquet and, if I am allowed through the august portals, will perhaps catch sight of you then. I hope so.

*Yours ever,

Dear Lady,

It is indeed a great honour that you are visiting Malaysia, noting the past history of the British Government and its relationship with Malaysia.

It is a great pleasure for me to present this Copper Tooling of a picture of your dearself which appeared in the local press. I planned to present it to you some time back at No. 10 Downing Street England, which did not materialise as I had to postpone the visits to England on several occasions, and am taking this opportunity of presenting to you, since you are here on an official visit to Malaysia.

For your information, I have son who passed from the Sheffield University a as a Doctor and is now working at the St James University Hospital, Leeds, and has been in England for the past eight years, and is exceedingly happy with the knowledge he has gained. He hopes to specialise in Paediatrics prior to returning to Malaysia.

Further another son, who is an Doctor at the General Hospital, Kuala Lumpur, Malaysia as a Surgeon, passed the F.R.C.S. examination at Edinborough, Glaxgow, and Dublin at the same time, and am glad to say that he has been admitted to the Bangour General Hospital, Broxburu, Scotland to attend a course in Plastic Surgery in August, 1985, after which he will returning to Malaysia to implement be the experience gained from the British Government Doctors.

I was so happy to you on our television station, and the views expressed were see really wonderful.

It is hoped that your stay in Malaysia will meet with your espectations, and will end, by wishing you and your husband the best in the years ahead with our loving Gods help.

My wife and I wish to thank the British Government for the help given to our sons, for them to obtain the highest degrees in the Medical profession.

Thanking you once again.

I beg to remain  
Yours faithfully,

Dear Wing Commander Marshall.

I have read reports of the work which members of the Second Brize Norton Air Scout Troop have done in making my VC10 especially smart for the visit which I am making to South East Asia starting on Thursday.

When I arrive in countries overseas, the first impression which my hosts receive is created by the aircraft as it lands on the runway. I am always proud of the efficiency and the smartness of the Royal Air Force, which gives a marvellous impression of Britain and always gets my visits off to a good start. The work which the Second Brize Norton Air Scout Troop have done will make the aircraft look particularly smart on this occasion and I am very grateful for it.

I am enclosing my own personal contribution to the Scout Troop's Bob a Job Fund and I would be grateful if you would pass it on to them with my thanks.

Yours sincerely

Dear Prime Minister,

I was grateful for your kind letter of 5 March. We are looking forward very much to our visit to Sri Lanka later this month.

I am only sorry that I shall not have the pleasure of seeing you there. It is particularly disappointing because I am afraid that previous commitments will prevent me from being able to see you when you travel back through London on your return from Jamaica. I shall be attending the Bonn Economic Summit on 2 - 4 May and the preceding day is already taken up with appointments and preparation for the Summit.

However, I do hope that you will be able to see the Foreign Secretary, Sir Geoffrey Howe, who I know would be delighted to meet you. I understand that he would be free on the afternoon of Wednesday, 1 May. Perhaps you could let him know if that is convenient for you.

I send my best wishes to Mrs. Premadasa.

Yours sincerely  
Margaret Thatcher

The Hon. R. Premadasa, MP.

YOUR TELEPHONE CALL OF 2 APRIL : PRIME MINISTER'S VISIT

1. WE HAVE ARRANGE INGHAM'S INCLUSION IN SERIALS J2 AND J14 AND THE BANDUNG TRIP AS REQUESTED. THE INDONESIANS REGRET THAT IT WILL NOT BE POSSIBLE TO INCLUDE HIM IN SERIAL J4. THIS CALL IS AT THE VICE PRESIDENT'S PRIVATE HOUSE AND THE ROOM THERE IS TOO SMALL FOR ANYONE EXTRA TO BE INCLUDED IN THE CALL. (FORTUNATELY THOUGH ESSENTIAL IN PROTOCOL TERMS, THIS CALL IS PROBABLY THE LEAST LIKELY EVENT IN THE PROGRAMME TO PRODUCE DISCUSSION OF SUBSTANCE AND I DO NOT THINK INGHAM WILL BE MISSING ANYTHING OF IMPORTANCE).
2. HE IS AUTOMATICALLY INCLUDED AS A MEMBER OF THE OFFICIAL PARTY IN SERIAL J34, THE DEPARTURE CEREMONY AT HALIM. I ASSUME THAT NO 10 IN FACT WANTED HIM INCLUDED IN J32, FAREWELL CALL ON THE PRESIDENT. THIS HAS BEEN ARRANGED. HE IS ALSO INCLUDED IN THE OFFICIAL PARTY FOR SERIAL J6. WE ARE ASSUMING THAT THIS IS CORRECT DESPITE THE CHARACTER OF THE PARALLEL PRESS DINNER (SEE PARAGRAPH 2 OF MY TEL NO 153).
3. I AM DELIBERATELY KEEPING MY SUPPER PARTY ON 10 APRIL A SMALL, AND I HOPE A RELAXED, FAMILY OCCASION. INGHAM IS OF COURSE INCLUDED, ALONG WITH THE PRIME MINISTER AND MR THATCHER, ONE PRIVATE SECRETARY (AS THE OTHER WILL PRESUMABLY NEED TO RETURN TO THE PRIVATE OFFICE AT THE WISMA AFTER THE RECEPTION), THE PUS AND BENJAMIN: MY WIFE AND 4 OF MY STAFF WILL ALSO BE PRESENT. WE HAVE LEFT THE EVENING FREE FOR VEREKER AS REQUESTED.

4. FOR THE LUNCH ON 10 APRIL, ALI WARDHANA HAS ARRANGED TO  
BRING WITH HIM NINE KEY MINISTERS. AT AN ABSOLUTE MAXIMUM WE CAN  
SEAT SIXTEEN. THIS ENTHUSIASTIC RESPONSE FROM THE INDONESIANS  
MEANS THAT THERE ARE ONLY FOUR PLACES AVAILABLE ON OUR SIDE  
FOR THE PRIME MINISTER AND MYSELF. I WOULD SUGGEST THAT  
THE PRIVATE SECRETARY, BENJAMIN AND VEREKER ARE ESSENTIAL.  
I WOULD LIKELY COMMERCIAL COUNSELLOR WITH HIS FOUR YEARS'  
EXPERIENCE AND DETAILED KNOWLEDGE OF LOCAL CONDITIONS TO BE  
PRESENT TOO. HE COULD ACT AS NOTE-TAKER. WOULD THIS ARRANGEMENT  
BE ACCEPTABLE?  
THE PUS AND INGHAM COULD, IF THEY WISHED, HAVE LUNCH WITH THE  
IBA AND MR THATCHER.
